The first ever custom Xbox 360 and Kinect bundle includes an R2-D2 blue-and-white themed console, a custom Xbox 360 Wireless Controller inspired by C-3PO and the first ever white Kinect sensor.

The bundle is available now for pre-order through participating retailers. Microsoft have also confirmed that this bundle will also be available in Europe.

The Xbox 360 Limited Edition Kinect Star Wars Bundle will include:

- Kinect Star Wars game
- Custom R2-D2-themed Xbox 360 Console with custom sounds
- White Kinect Sensor
- Custom C-3PO-themed Xbox 360 Wireless Controller
- 320 GB Hard Drive
- Xbox 360 Wired Headset
- Kinect Adventures game
- Exclusive downloadable content
